Welcome to Radius Credit Union Limited....a newly formed organization that is a result of Ogema, Pangman, and Radville Credit Unions joining together to provide better service to their members. We are proud to be expanding our organization into Avonlea with the building of a brand new facility. Radius Credit Union has branches in Avonlea, Ogema, Pangman and Radville. This unique financial institution has provided and profited this region for over 60 years.

Not only is Radius Credit Union opening a new branch we are excited to share with you that we are going to the members of Ceylon Credit Union with a proposed merger. What a Credit Union can offer you that other Financial Institutions can't

is our Deposit Guarantee. The security of credit union deposits is more than a promise it's a Guarantee. Credit Union Deposit Guarantee Corporation guarantees to all depositors, repayment in full, of all deposits held in Saskatchewan credit unions.

We also offer **Member Patronage** which is our way of thanking you for doing business with us. Each year our surplus is shared with our members. Patronage calculation is based on interest you've paid to us, as well as interest we've paid to you. Over the past eleven years patronage payments to Radius Credit Union members have exceeded 2.2 million. The Board of Directors authorizes annual allocations. Half of the allocation is paid in cash to the member, and the other half is retained in the members name in their equity account. The more business you do at Radius Credit Union the higher your patronage amount will be.

Please watch for December's Christmas letter. We will have more Radius Credit Union organization and staffing updates at that time.
